13          cordance with chapter 84 of such title 5, is to be  
14          paid at such time and in such manner as mutually  
15          agreed by the State and the Office of Personnel

18          (C) In the determination pursuant to subpara-

14 annuity, the pay differential shall be included in the  
15 computation of the annuity if the individual sepa-  
16 rated from the service not later than the expiration  
17 of the 90-day period beginning on the date of the  
18 transfer.

19           (B) If the individual is not eligible for such an  
20 annuity as of the date of the transfer under sub-

8 individual be separated from the service.

9 (4) With respect to individuals who as of the date  
10 of the enactment of this Act are Federal employees with  
11 positions at the Center and are not, for duty at the center,  
12 receiving the pay differential under section 208(e) of the  
13 Public Health Service Act or under section 5545(d) of title

15 (A) During the calendar years 1997 and 1998,  
16 the Secretary may in accordance with this paragraph  
17 provide to any such individual a voluntary separa-  
18 tion incentive payment. The purpose of such pay-  
19 ments is to avoid or minimize the need for involun-

21 spect to the Center.

22 (B) During calendar year 1997, any payment  
23 under subparagraph (A) shall be made under section

4 (C) During calendar year 1998, such section  
5 663 applies with respect to payments under subpara-

9 this subparagraph, the reference in subsection  
10 (c)(2)(D) of such section 663 to December 31, 1997,  
11 is deemed to be a reference to December 31, 1998.

12 (f) The following provisions apply if under subsection  
13 (a) the Secretary makes the decision to relocate the Cen-

15 (1) The site to which the Center is relocated  
16 shall be in the vicinity of Baton Rouge, in the State  
17 of Louisiana.

18 (2) The facility involved shall continue to be  
19 designated as the Gillis W. Long Hansen’s Disease  
20 Center.

21 (3) The Secretary shall make reasonable efforts  
22 to inform the patients of the Center with respect to  
23 the planning and carrying out of the relocation.

24 (4) In the case of each individual who as of Oc-  
25 tober 1, 1996, was a patient of the Center and is

1       considered by the Director of the Center to be a  
2       long-term-care patient (referred to in this subsection  
3       as an “eligible patient”), the Secretary shall con-  
4       tinue to provide for the long-term care of the eligible  
5       patient, without charge, for the remainder of the life  
6       of the patient.

7               (5)(A) For purposes of paragraph (4), an eligi-  
8       ble patient who is legally competent has the follow-  
9       ing options with respect to support and maintenance  
10      and other nonmedical expenses:

11              (i) For the remainder of his or her life, the  
12      patient may reside at the Center.

13              (ii) For the remainder of his or her life,  
14      the patient may receive payments each year at  
15      an annual rate of \$33,000 (adjusted in accord-  
16      ance with subparagraphs (C) and (D)), and  
17      may not reside at the Center. Payments under  
18      this clause are in complete discharge of the ob-  
19      ligation of the Federal Government under para-  
20      graph (4) for support and maintenance and  
21      other nonmedical expenses of the patient.

22              (B) The choice by an eligible patient of the op-  
23      tion under clause (i) of subparagraph (A) may at  
24      any time be revoked by the patient, and the patient  
25      may instead choose the option under clause (ii) of

1       such subparagraph. The choice by an eligible patient  
2       of the option under such clause (ii) is irrevocable.

3           (C) Payments under subparagraph (A)(ii) shall  
4       be made on a monthly basis, and shall be pro rated  
5       as applicable. In 1999 and each subsequent year, the  
6       monthly amount of such payments shall be increased

10      benefits under title II of such Act (relating to Fed-

12      fits). Any such percentage increase in monthly pay-  
13      ments under subparagraph (A)(ii) shall take effect  
14      in the same month as the percentage increase under  
15      such section 215(i) takes effect.

16          (D) With respect to the provision of outpatient  
17      and inpatient medical care for Hansen's disease and  
18      related complications to an eligible patient:

19           (i) The choice the patient makes under  
20      subparagraph (A) does not affect the respon-  
21      sibility of the Secretary for providing to the pa-  
22      tient such care at or through the Center.

23           (ii) If the patient chooses the option under  
24      subparagraph (A)(ii) and receives inpatient care  
25      at or through the Center, the Secretary may re-

1           duce the amount of payments under such sub-  
2           paragraph, except to the extent that reimburse-  
3           ment for the expenses of such care is available  
4           to the provider of the care through the program  
5           under title XVIII of the Social Security Act or  
6           the program under title XIX of such Act. Any  
7           such reduction shall be made on the basis of the  
8           number of days for which the patient received  
9           the inpatient care.

10          (6) The Secretary shall provide to each eligible  
11          patient such information and time as may be nec-  
12          essary for the patient to make an informed decision  
13          regarding the options under paragraph (5)(A).

14          (7) After the date of the enactment of this Act,  
15          the Center may not provide long-term care for any  
16          individual who as of such date was not receiving  
17          such care as a patient of the Center.

18          (8) If upon completion of the projects referred  
19          to in subsection (d)(4)(A) there are unobligated bal-  
20          ances of amounts appropriated for the projects, such  
21          balances are available to the Secretary for expenses  
22          relating to the relocation of the Center, except that,  
23          if the sum of such balances is in excess of \$100,000,  
24          such excess is available to the State in accordance  
25          with subsection (d)(4)(B). The amounts available to
